

The background is a stylized, low-poly map. It features a central compass rose with a white face, a grey border, and a blue needle pointing towards the top. The cardinal directions are labeled: 'N' at the top, 'S' at the bottom, 'W' on the left, and 'E' on the right. The map includes various geographical elements: green mountains, blue rivers and lakes, and clusters of green pine trees. Several location pins are scattered across the map; some are orange with a white dot, and others are green with a white dot. Some of these pins are surrounded by concentric circles, suggesting a geofence or a specific point of interest. The overall color palette is muted, with soft blues, greens, and greys.
