

The background is a stylized, low-poly map. It features a central compass rose with 'N', 'S', 'E', and 'W' markers. A winding river flows through the landscape, which includes green hills, blue lakes, and clusters of green trees. Several location pins are scattered across the map: some are orange with a white dot, and others are white with a green dot. Some of these pins are accompanied by question marks, suggesting a quiz or a quest. The overall color palette is soft, with muted greens, blues, and oranges.
