

The background is a stylized, low-poly map in shades of blue, green, and orange. It features a central compass rose with a star-shaped needle pointing North. The compass is labeled with 'N', 'S', 'E', and 'W'. Surrounding the compass are several location pins (some orange, some green) and question marks, suggesting a quiz or a journey. Wavy lines represent rivers or paths, and simple tree icons are scattered across the landscape.
